

Can you match the characters with their traits?

Print Out: Cut out each character trait and match them up with our Tuktu Friends!

Nanuq is a young polar bear. She is silly and goofy. She likes to have fun. She is willing to laugh at herself and doesn't take life too seriously. She is an encourager and looks for the best in her friends.

Tuktu is a young caribou. He is sensitive, endearingly naive, and wears his heart on his sleeve. He is always open and honest and not afraid to show his emotions. He is quick to ask for help and depends a lot on his friends.

Umingmak is a young muskox. She is a soft-spoken dreamer, who takes life as it comes. She is never in a hurry and enjoys the simple things around her. She cares a lot about her friends and notices when one of them is upset or having a problem. She is wise beyond her years and offers her friends good advice.

Tiri is a young Arctic fox. He is timid and hangs back until he is comfortable. He is sweet and thoughtful. He is creative and full of good ideas. He is attuned to his friends' emotions and his quiet way supports them.

Ukaliq is a young Arctic hare. He is energetic, upbeat, and playful. He doesn't like to sit around, and always has ideas for new adventures. He loves having a good time with his friends and looks for ways to make his friends feel special.
